

Jedd Bradley

Owner

Mighty Oak Active Shooter Solutions

To Whom it May Concern:

I am writing on behalf of Jedd Bradley and his company Mighty Oak Active Shooter Solutions which spoke to our Green Bay Lodging Association.

When we reached out to Jedd about a speaking engagement, our association had no idea what to expect from his active shooter training. Jedd took the floor and our whole association was impressed with his wealth of knowledge on the subject and his delivery was relatable. He really put things in perspective of what our staff and management teams should be sharing with our frontline employees if we had an incident at one of our properties.

I know that many of our members have reached out to Jedd to have him speak in front of their own team members at their property. We are hoping to get Jedd to speak in front of our State Association and would highly recommend Jedd as a speaker for any types of business that can be presented with these unfortunate realities that we face today.

Sincerely,

Aaron Wolf
