

Jedd,

I had the privilege of working with Jedd Bradley & Mighty Oak for our company's active threat training, and I must say, it was some of the best training I have experienced. Jedd and his team are highly knowledgeable, making complex concepts easy to understand and apply in real-life scenarios. The training was interactive, engaging, and tailored to our specific needs, ensuring that every team member felt prepared and confident to respond effectively to potential threats. I highly recommend Mighty Oak for its outstanding services in active threat training. - Joe Laufenberg - Sr. Director of Asset Protection – Festival Foods
